Dear «Fname»,

As I provide you with an update on this year of 2019 appeal for Project Advance, I have exciting news to tell you! We are moving forward with the replacement of an aging and worn out sound system in our parish church. This is important for both our young and older parishioners and guests, to hear the word of God clearly at Mass, weddings, and other special occasions.

Although we have surpassed our diocesan goal this year of \$71,000, we still need your contribution to Project Advance to help us complete our parish goal of \$200,000! Our current total collection to date is \$127,000. There is no gift too small. Every gift is important. Your gift is important. Every dollar we receive now goes directly into a brand new and very much needed sound system! Help us provide a means to proclaiming the Word of God in our church with the clarity it deserves.

I want you to know that giving is easy. At the bottom of this letter you will find a pledge form that can be torn off and mailed in the enclosed return envelope. If you would prefer, you could also drop off this form in the Sunday Collection or at the Parish Office. At our upcoming Sunday Masses we will also have tables setup at the entrance to make it as easy as possible for you to give.

I pray that the good and gracious Lord, whose Heart is never outdone in generosity, lavishes His love and His Mercy upon our parish family members. May we continue to pray for one another, support our parish family members, and proclaim His message of salvation even more effectively.

With prayers I remain,
Yours in Christ,

Fr. James Hughes

P.S It is also easy to donate online through our website at www.stpatsvan.com/project-advance and you will receive a tax receipt immediately by email.
