TO SERVE MARPOLE DISTRICT

NEW ST. ANTHONY'S SCHOOL serving the Marpole district will eventually replace the old school. Building was designed by architect Frank Roy and erected by Doyle Construction Co.

Marpole parish builds school

New St. Anthony's erected on old church foundations

1962

The "foundations" of St. Anthony's parish, Marpole, were re-discovered when workmen began building the new $76,000 school building which was formally blessed April 5.

During the erection of the new two-storey building, workmen of Doyle Construction Company unearthed the foundations of the old United Church which Monsignor P. N. Fogarty purchased as the first St. Anthony's Church in November, 1928.

The old building was razed when the new St. Anthony's was opened in 1955.

The present pastor, Father John Hanrahan ordered the construction of the new two-storey school as an eventual replacement of the present school building completed in 1942.

The new building is the first stage of a seven-classroom school to replace the old school which has become too small.

Up-and-coming architect Frank Roy ordered reinforced concrete and concrete block for the construction of the school, with laminated wood roof beams and plank roof deck.

All heating, plumbing and electrical services are planned so that future classrooms and washrooms can be added at minimum cost.

It has three full classrooms plus principal's office, health room, book room, staff room, washrooms, furnace rooms and janitor's closets.

Each classroom has its own coat closet with fully louvred doors to allow for ventilation of the closets. Each closet is ventilated with an exhaust fan to the roof.

FATHER HANRAHAN

Shelving and cupboards are located below the windows.

Two walls in each classroom have chalkboard with tackboard over and at the ends.

There are large panels of acoustic tile on all the classroom ceilings.

The partition walls inside the building are of lightweight concrete block left unpainted. The floors are all tiled with vinyl asbestos tile and the corridor ceilings are of suspended acoustical tile.

Architect Roy is also in the preliminary stages of designing a church, school and rectory for St. Margaret's, Ocean Falls; extensions and alterations to the Church of Our Lady of the Assumption, Alert Bay; and a church and rectory for St. Joseph's parish, Steveston.

ST. ANTHONY'S SCHOOL -- THE OLD AND THE NEW

On September 3, 1940, two girls, Maureen Logue and Louise Beaubien, and two boys, Louis Beaubien and Edward Cadden, walked into the basement of St. Anthony's Church. This was the beginning of St. Anthony's School. These children were the first pupils. It had been the dream of the Parish Priest, Father Fogarty, and it had now become a reality. The furnishings of the school were simple. Church benches were remodelled into tables. Chairs from the Parish House were shortened for Kindergarten. As the weeks went by, more and more children were enrolled. By June, twenty-six pupils were registered. On May 9, 1941, the first sod was turned for the building of St. Anthony's. It was blessed by His Excellency Archbishop W. Duke on September 14th, 1942. These were busy and happy months. Sisters, pupils and parents worked together, helping the new school. Many activities were held to raise money.

The girls and boys took part in sports and other activities. In 1943 and 1948, records were set at the inter-track meet for the baseball throw and 100 yd. dash which remained unbroken for some years. In 1950, in accordance with the wishes of Archbishop Duke, a school auxiliary was formed which was to play a big part in the future of the school.

In 1959, under the guidance of Sr. Ethna Marie and Mr. Pat O'Grady the pupils entered the Catholic Track Meet, and though probably the smallest school competing, they took fourth place. The following year one of the boys, Michael Monahan, won the trophy for the highest total aggragate. From 1959 to 1963, almost forty gold, silver and bronze medals have been won and four inter-school trophies.

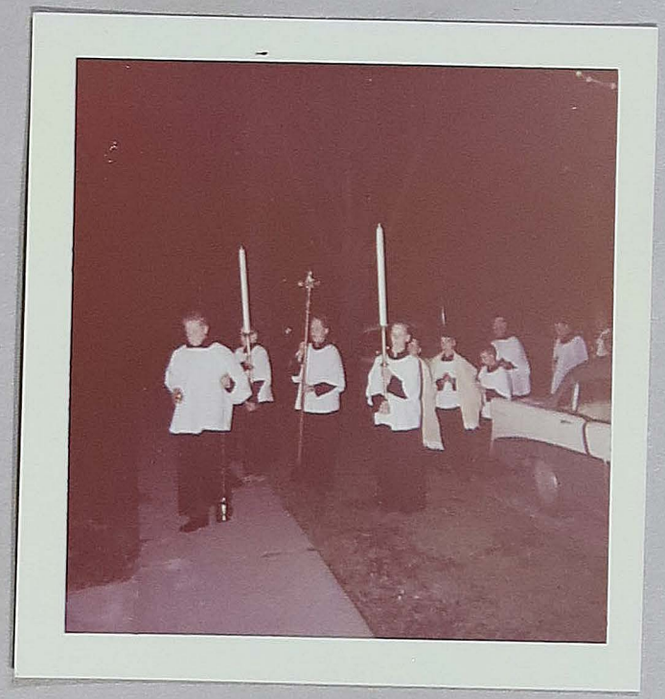

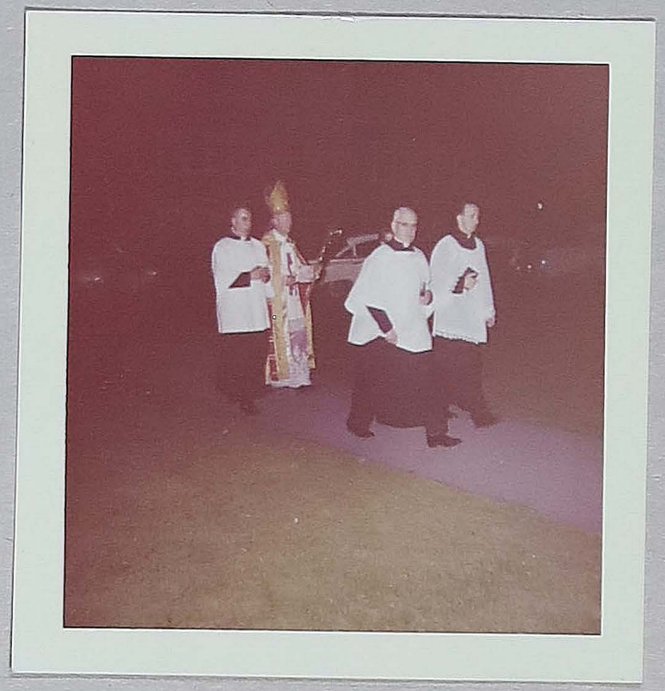

Scholastically they have done equally as well, as many former pupils have won scholarships in the government examinations in the high schools.

Two former pupils have chosen the religious life, Sister Patricia Margaret, formally Gloria O'Sullivan, now a member of the Sisters of Charity, and Brother Meinrad, Pius Getz, now a Benedictine Brother. Five boys are at present in the Seminary of Christ the King, at Mission, and one girl is a novice of the Sisters of St. Joseph.

By 1961, the old school was bursting at the seams, and under the direction of Father Hanrahan, who was named pastor of St. Anthony's at the death of Msgr. Fogarty, plans were made for a new building which would consist of three large classrooms with additional offices, staff rooms, etc.. It will eventually replace the old school. The staff now numbers four sisters and three lay teachers, and has an average enrolment of 160 pupils. God has indeed blessed the devotion and loyalty of its' founder, first teachers, and parents.

TROPHIES WON BY ST. ANTHONY'S PUPILS

1950	Boys' Rugby Trophy -- Community Center
1952	Ping Pong Doubles -- Inter School
1959	Girls' Interschool Volley Ball Championship
1960	Boys' Interschool Badminton Championship

Come-back Marpole Squad Takes Volleyball Title

Marpole's St. Anthony's volleyball team came from behind to take the 1960 CYA title, played Saturday at Notre Dame High School.

Downed by Seton Academy in the first section of the round-robin final the Marpole squad came back to down St. Patrick's 15-0, 15-7 to set up a winning margin of points.

Each of the three finalists won one game of two, leaving the championship to be decided on a points basis.

SETON LOSS

Opening game was a thriller with the defending champions St. Patrick's pitted against Seton Academy. Seton took the first set 15-10 but St. Pat's recovered to win the next two sets comfortably 15-8, 15-7.

Seton took on St. Anthony's in the second game. In the first set the lead constantly changed hands and the game went to extra points before the plucky little St. Anthony's team eventually submitted 16-14.

The second set was also close but Seton finished much stronger and won more easily 15-11.

The final game produced a complete reversal of form. St. Pat's, on the results of previous games, looked to be sure winners, but St. Anthony's, not in the least overawed, completely outplayed the champions.

REVERSED RESULT

St. Pat's never recovered from a disastrous first set in which they failed to score a point and St. Anthony's took advantage of their opponents' consistently poor serving to win 15-0, 15-7.

St. Anthony's reversed the result of last year's final in which they lost to St. Patrick's.

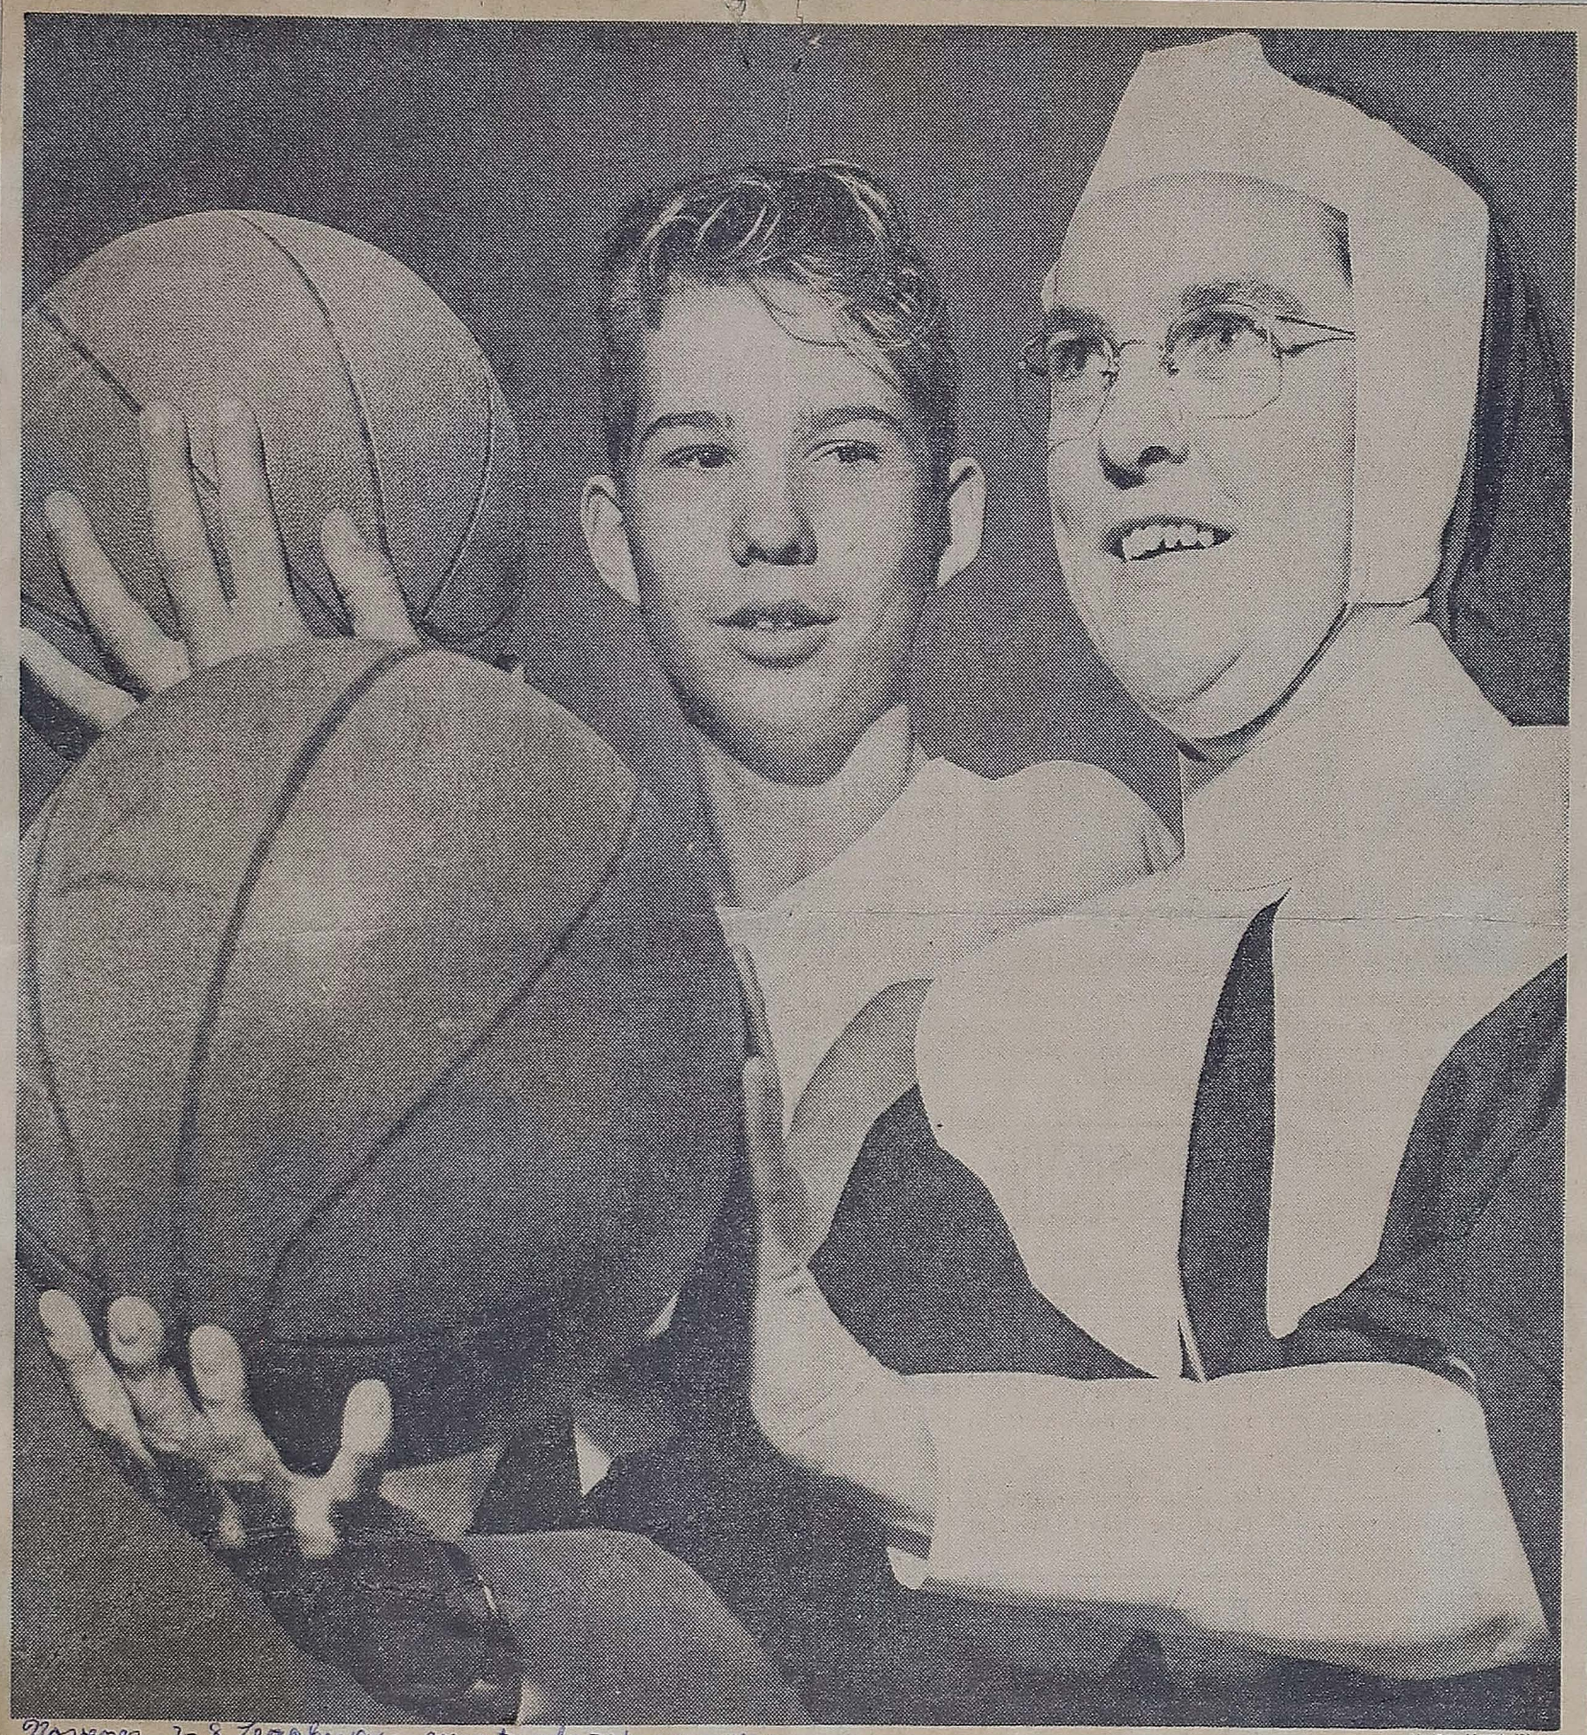

COMEBACK WINNERS of the 1960 CYA Grammar School Volleyball Championship, St. Anthony's, Marpole downed last year's champs, St. Patrick's, to take the title. Shown here with Sister Ethna Marie they are left to right (front row): Judy Melny, Ruth Monroe, Margaret Monroe, Emily Karmajenski, Ruth Bantly and (back row) Sheila Laurillard, Irene Miller, Donna Exner, Sheila Seipp and Margaret MacDonald.

Costumes from "The Beggar Queen"

In the dark quite a bit, he'll see the light today

DOOLEY

By JACK MOORE

On the cinder track, in pitch blackness, there is the sound of muted running, and occasional shadows flit by on padded feet. There are low, ominous rumblings, carried on the clear night air at Memorial South Park.

To a stranger passing through the park, the whole thing might seem pretty frightening. Believing the place inhabited by banshees, he may quickly alter course in favor of a longer, better-lighted route.

If the stranger is a brave one, though, he might stick around and find out that this is one of the Vancouver Olympic Club's twice-weekly training sessions for cross-country runners.

On such a night recently, we collared Terry Dooley, one of the brightest of the young cross-country crop.

Entering the lighted dressing room, he stopped being a shadowy form and began to look more like a pleasant 16-year-old.

★

"A few weeks ago," he said, "they were holding soccer games close to here, and there was a little light from their field. Now we take our chances in the dark. It's not so bad once you get used to it."

He said that these training sessions go on Tuesdays and Thursdays all year, come rain or darkness or whatever.

"Actually," he said, "that's one of the reasons I like cross-country running. It's not seasonal."

And Dooley must like this sort of thing quite a bit. Aside from training and running with VOC, he also runs for Winston Churchill high school, where he is in grade 10.

He was last season's B.C. Juvenile Cross-Country champion, and it's likely he'll be juvenile champ again this season.

To this end he runs two or three miles every day. So far this school year, he's logged 250-odd miles.

"There's about 30 boys at Churchill in the cross-country club, and most of them have logged 200 miles or more this year," he said. "And that's not counting mileage outside the school."

Among these outside miles were some Dooley ran in Hamilton, at the Canadian cross-country championships last summer. He managed ninth place out of 70 juvenile runners.

★

"The hills back there," he said, "are murder."

At last year's Inter-High school track meet, Dooley, still weak after a bout with measles, managed third places in the mile and half-mile.

His coach, VOC's Lloyd Swindells, figures he'll do better this year.

"Terry's very consistent," said Swindells, "especially in the mile. He averages 4:32 on a mile, and usually does the five miles somewhere around 26.40."

Today at Brockton Point, members of various track clubs will run two cross-country races, a three-miler for high school students and a six-mile open. Terry will race in one of them, probably the six-miler.

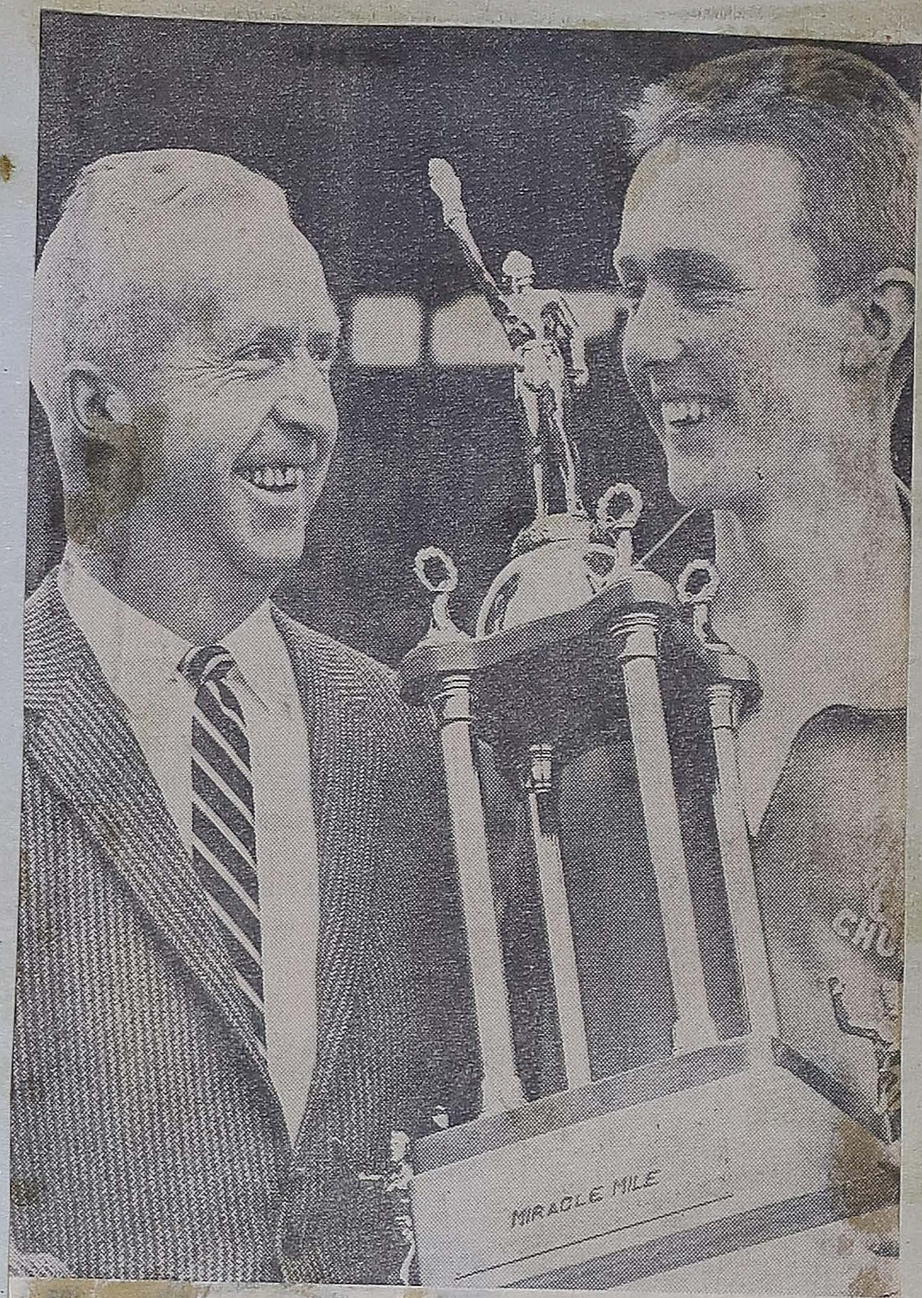

Then we'll see if maybe there are some hidden benefits in running through the dark.

At least, after all, today, he'll be able to see where he's going.

September - 1963.

A very successful Membership Tea was held in the CHurch Hall which was beautifully decorated for the occassion by the members of the Senior C.Y.O

December 18th -

The Sisters were involved in a serious car accident on their way to their convent after school, which sent them to St. Vincent's Hospital. Sister Thomas and Sister Geralda were the more seriously injured. We are all grateful that God kept them from more serious harm.

February -

A giant Auction Sale organized by Mr. Hockley and Mr.Monroe, was held, proceeds to help establish a school library. Almost $600 was raised, in spite of the rainy weather.

March 6th -

A day of desolation, when swept through the church basement causing extensive damage to the hall and furnishings and the church itself.

April -

The annual Spelling Bee for the Hockley Trophy was held - the Girls being the winners.

March 17th -

The St. Patrick's Day concert was held in St. Faith's Anglican church Hall. We are most grateful for the use of it. An outstanding Collection of songs, dances and skits had been arranged by Mr. Hillhouse from the combined talents of each Parish organization. Slides were taken and songs taped so that we could long remember a memorable night. Mr. Jack Cassidy was presentedwith a gift from the Parents' Club as a token of gratitude and esteem for his many contributions to all Parish activities.

May -

The Penny Carnival was most successful, being held in the newly decorated church hall. An innovation was a delicious luncheon for the adults prepared by the St. Ann's C.W.L. circle, and a cake walk of beautifully decorated "Animal Cakes " made by the St. Gerard's Circle.

The First Communion and May Day Procession was as usual most beautiful.

Sports Awards

Joe Kapp and Fans

June -

The graduating class of St. Anthony's was presented with Daily Missals by Father H anrahan at a delicious breakfast at the Delmar. Father H anrahan and Mr. Hillhouse, with several members of the Executive were present and Father gave a short talk urging the pupils to do their best in all they undertake.

The Award Night was held in the auditorium of Lloyd George School, as our stage has not yet been completed. Highlight of the evening, was the presentation of Sports Awards to the pupils by Joe Kapp, member of the Lions Football team. Mr. Kapp graciously signed autographs for many of the pupils. In return, Mary Clarkson, winner of the Gold Medal at Track, made a presentation to him on behalf of the school. Members of the Senior and Junior Glee Club sang several selections, and the recorder club also played. Scholarships were awarded, also awards for Citizenship, Christian Doctrine, perfect attendance, Progress, Altar Boy awards, etc. The evening ended with words of encouragement and congratulation from Father Hanrahan.
